Dated: 05th November, 2019

Dear Parents,

Greetings from Camford Family!

We are proud to announce that our school has been granted approval to start the Scouts and Guides programme. The Scout and Guide movement is a valuable addition to the formal education offered in schools. This programme is offered to Grade 6 students who have attained the age of 10 years and above.

Students of Grade 7 (both boys & girls) get this unique opportunity to groom themselves physically and become mentally strong as a Scout or Guide.

Please find the details of the programme given below and interested students must return the parent consent for the selection before **15th August 2019**.

Selection of students will be on merit basis only as prescribed by the norms of the organization.

About the Programme

- The Scouts badges offer boys an opportunity to face challenges in the diverse fields such as community service and creativity. These badges recognize their achievements as better communicators and administrators.
- The Guide badges offer girls an opportunity to develop a diverse range of skills in subjects such as personal safety, team work both as a team member and a team leader. The Guides are also currently running a global education program.
- The programme will be contacted once in week during the school hours.
- Students will be enrolled for a period of two years and will be allowed to participate in the national level award programme.
- Students must attend 1/2 days camp organized by the unit which will be held away from the school campus and the attendance for this camp is mandatory.
- Selected students must strive for 100 % attendance in this two year programme.

Regards
